DAISIES

BETWEEN EARTH AND SKY JOURNEY

May 8 | 12:30-3:00 pm | \$10

Explore the diversity of color, shape, and textures in nature and investigate how to take action to keep our planet Earth healthy.

BROWNIES

WOW JOURNEY

October 24, January 22, April 24 | 12:30 - 4 pm | \$12

Discover how to love, save, and share the “wonders of water” as we investigate a variety of aquatic habitats and the wildlife within them.

JUNIORS

GET MOVING! JOURNEY

November 7, February 5, May 22 | 12:30 - 4 pm | \$12

Energize your understanding of the Earth’s energy and how we can use, misuse, and protect this essential resource in our daily lives.

CADETTES

BREATHE JOURNEY

December 5, March 12, June 5 | 12:30 - 4 pm | \$15

Take a deep breath and use ALL your senses to become aware of air quality issues in our region and around the world as we experiment with wind, fragrances, pollution, and mindful breathing.

SENIORS

SOW WHAT JOURNEY

January 8 | 12:30 - 4 pm | \$15

Get down to the roots of our food “network” to discover the complex relationships between what we eat, the land, water, air, and energy use around us.
