

# Girl Scout Badge Programs at Tifft Nature Preserve | 2022-2023

Tifft Nature Preserve offers a variety of hands-on Girl Scout programs throughout the year utilizing our Darling Environmental Education Center and beautiful nature trails. *All programs fulfill badge requirements and include a guided outdoor experience: please dress for the weather. Badges are not included in the registration fee.*

To register for a date below or schedule a private program date for your Troop (minimum of 8 Scouts) please call Tifft Nature Preserve at 716.825.6397 or email [tifftreservations@sciencebuff.org](mailto:tifftreservations@sciencebuff.org).

## DAISIES

### BETWEEN EARTH AND SKY JOURNEY

May 6 | 1 - 3:30 pm | \$12

Explore the diversity of color, shape, and textures in nature and investigate how to take action to keep our planet Earth healthy.

## BROWNIES

### WOW JOURNEY

October 2, January 21, May 21 | 1 - 4 pm | \$15

Discover how to love, save, and share the “wonders of water” as we investigate a variety of aquatic habitats and the wildlife within them.

### MATH IN NATURE

March 12 | 1 - 4 pm | \$15

Use the real natural world to investigate math concepts such as graphs, tessellations, symmetry, ratios, and circumference.

## JUNIORS

### GET MOVING! JOURNEY

November 5, February 5, April 15 | 1 - 4 pm | \$15

Energize your understanding of the Earth’s energy and how we can use, misuse, and protect this essential resource in our daily lives.

## CADETTES

### BREATHE JOURNEY

December 4, March 4, April 30 | 1 - 4 pm | \$15

Take a deep breath and use ALL your senses to become aware of air quality issues in our region and around the world as we experiment with wind, fragrances, pollution, and mindful breathing.

## SENIORS

### SOW WHAT JOURNEY

January 8 | 1 - 4 pm | \$15

Get down to the roots of our food “network” to discover the complex relationships between what we eat, the land, water, air, and energy use around us.
